If a full time camp leader, depending on your main activity, you will be teaching approx 2 lessons every day, but will also take part in evening activities, sports & games, pastoral care and general camp life. You will have time off every day to relax and prepare classes too. If a part time camp leader, your hours will be dictated to according to what you are teaching.

We have a lot of resources to help you, and will give you quite a few ready prepared plans, but the aim is that your lessons can also be designed by you and meant to be informative, fun and creative lessons that the children look forward to, whether it is English class, or Cookery!

This is a hands-on job – **we all get our hands dirty**, in all senses of the word. But we promise, it is fun and our team is always GREAT! It is also one of the most rewarding jobs you may ever do, and something that will look extremely good on your CV for the future :)

**Salary: Full time posts** start from **£1750** (plus **£150** bonus for the most voted Camp Leader!), and can be up to **£2100 according to age and experience**, plus food and lodging (where relevant) – so you don't have to spend a penny while here; variable according to your days worked and experience.

You get time off each day, a weekend off before camp starts in June, 3 days off between camp sessions and time off per week. Bonus for returning Camp Leaders. If applying as an English teacher on a part time basis, please enquire.

**Dates & Accommodation:** Evening of Mon 19 June/ morning of 20 June (the first 4 days are relaxed training & set up) – Friday 26 July – the last days are clean up days). Only 4 weeks are 'actual' camp. You can choose to live at camp, lodging and food included, so you won't have to spend a penny – or if you prefer, you can return home if you are local.

We can accept applications for camp leaders who can ONLY do one camp session, ie, the 2 full weeks of camp plus training/ break down of camp, but we cannot accept applications from camp leaders for less time than this.

Camp is hard work, but a lot of fun!
